Island Living Hospitality Projects

The Kahala Resort Imperial Suite - Oahu, Hawaii

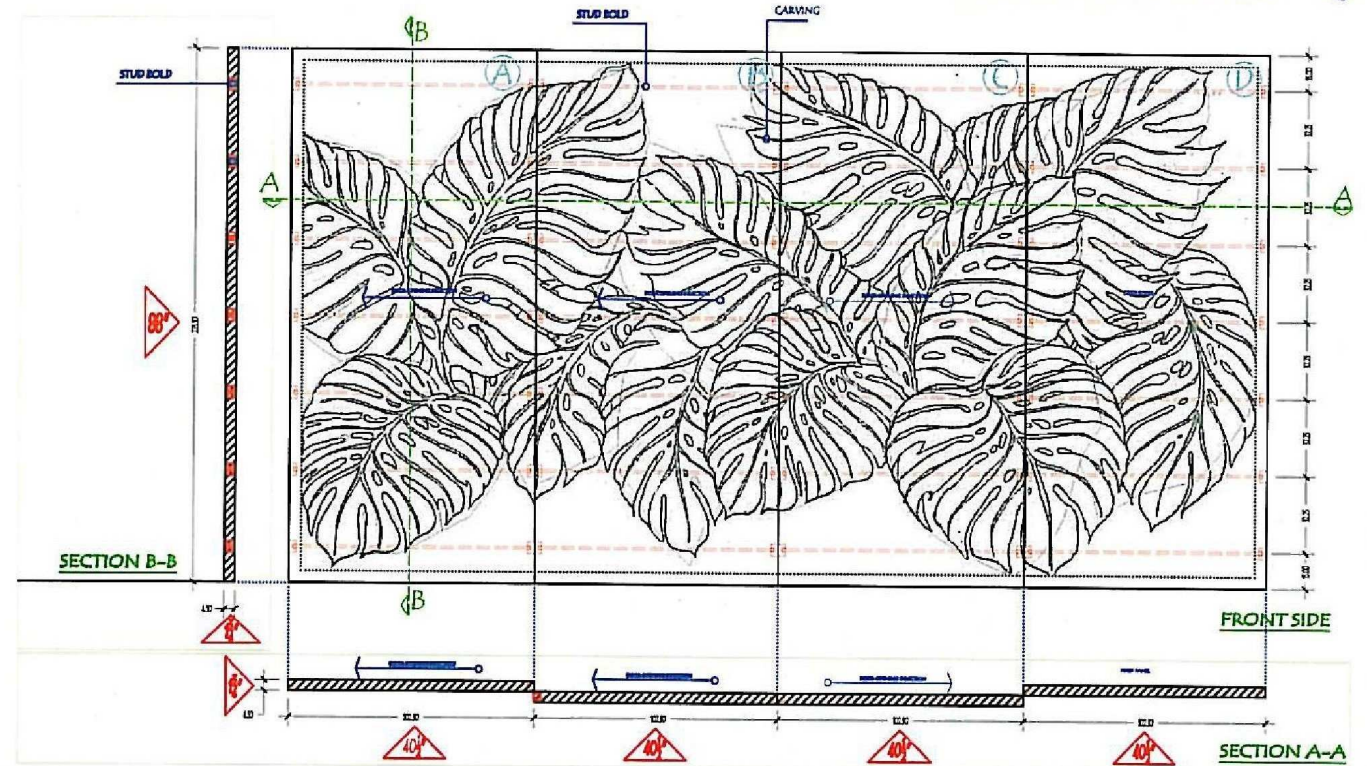

## The Kahala Hotel - Imperial Suite

Island Living worked with one of the Hospitality industries top designers, WATG to bring their custom creation to life for the Imperial Suite at The Kahala Hotel in Honolulu, Hawaii.

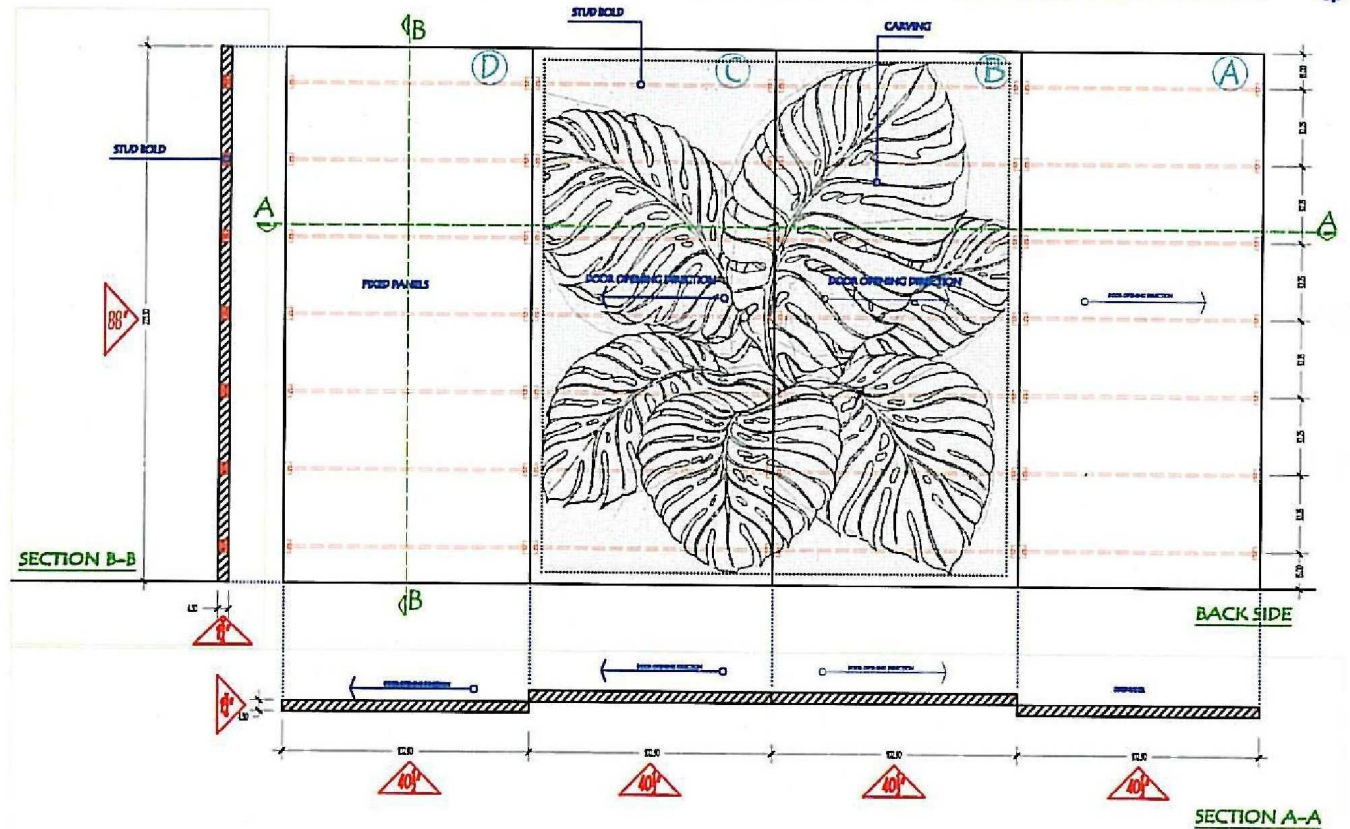

After simply providing a sketch of what they would like to have done, we were able to do a CAD shop drawing with all of the details of what the finished product would look like.

Island Living would love to help you bring your custom design to life!
